

Digital Security Workshop

Progressive Technology

Alice Aguilar, Executive Director

Jamie McClelland, Technology Systems Director

***“Caring for myself is not an indulgence, it is self-preservation
and that is an act of political warfare”***

- Audre Lorde

“Our approach to security and protection must take into account the effects of not only of physical violence, but also Structural, economic, gender-based and institutional violence, harassment and marginalization.”

– from *Holistic Security: A Strategy Manual for Human Rights Defenders*

Holistic Security
